DECLARATION

Joffree Leggett hereby declares as follows:

1. I am the Mayor of the City of Trenton, North Carolina, and I reside in Trenton. I was elected Mayor in 1985, and have been reelected since then. Trenton also has an elected Town Board. The Town Clerk of Trenton is Glen Spivey. Our Town Attorney is James Hood. The City offices are located in the courthouse building in Trenton.

2. The City of Trenton operates under a corporate charter and tax authority. Currently, we tax \$.50 per \$100.00 property value.

3. As Mayor of Trenton, one of my primary responsibilities is to make sure the City budget is right. We maintain the sewer system, the streets, street lights, and such, and I assign the Commissioners who oversee each duty.

4. Recently the City of Trenton signed a cable television franchise for Trenton. It will be operational on September 1, 1995.

5. The City of Trenton also has a cemetery association, and as the mayor, I serve as the administrator.

6. We do not depend upon Jacksonville, New Bern, Kinston, Goldsboro or Havelock to solve our problems. Our problems are unique to Trenton. For example, we recently had a problem with the sewer system when old oak trees that were seeking out water penetrated the old clay pipe system. We authorized the replacement of the old system with a new 10-inch PVC main.

7. A few years ago, the EPA threatened to close down the high school, which is located right outside Trenton, in Jones County, North Carolina, due to overflowing septic tanks that were claimed to be creating an environmental problem. The City of Trenton offered Jones County the use of the City sewer system, and that way the City was able to save the high school.

8. We do not depend upon Jacksonville, New Bern, Kinston, Goldsboro or Havelock for the goods and services we need. We have all the basics in Trenton -- you know, banking, car repair, attorneys, doctors, and even a chiropractor.

9. The Agricultural Center in Trenton serves as our civic center. Trenton also has a Moose Lodge, a Masonic Lodge, an American Legion Post, and several clubs including the Methodist Women, Men and Young Adults. There are a number of churches in Trenton, with organizations within them.

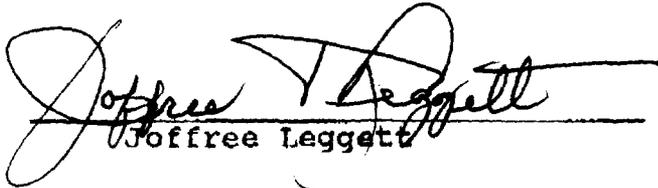

10. We fully compete with Jacksonville, New Bern, Kinston, Goldsboro and Havelock for economic development. The "Committee of 100" is our economic booster group, and meets regularly at the Agricultural Center in Trenton. A new Industrial Park is being planned for just outside Trenton, in Jones County, which will be good for the Trenton economy.

11. Our local newspaper, the Jones County Post, is published in Trenton. Recently, the community leaders of Trenton have rallied around the paper, to help it grow. A radio station also would be good for Trenton, because the Jones County Post is bi-weekly and we desire immediate information. At a meeting of

community leaders to discuss efforts to help the paper, they actually applauded when I mentioned that a radio station is proposed for Trenton.

12. The City of Trenton has not annexed any land in surrounding Jones County. However, within a two to three mile radius of Trenton, there are approximately 1,000 residents, who view Trenton as home, and shop, bank and work in Trenton.

13. Under penalty of perjury, the foregoing is true and correct to my personal knowledge.

Joffree Leggett

DECLARATION

Robert Mason hereby declares as follows:

1. I am the Sheriff of Jones County, North Carolina. I have held this position since December, 1994.
2. My office is located in Trenton, North Carolina, on the first floor of the Jones County Courthouse. Most of my time is spent in the city of Trenton. Trenton is the largest city in Jones County, and the County Seat.
3. The Sheriff's Department provides 100% of the law enforcement needs of the city of Trenton, and has an annual budget of \$500,000. I have 7 full-time deputies and 8 reserve deputies.
4. Trenton does not depend on the outside areas of Jacksonville, New Bern, Kinston, Goldsboro or Havelock, for policing Trenton. To my personal knowledge as a public servant, Trenton does not depend on any of those places for any municipal services.
5. I strongly disagree with the statement that "community leaders and residents of Trenton perceive Trenton as being an integral part of the larger Jacksonville-New Bern-Kinston-Havelock metropolitan area, rather than as being separate from it." Although I presently reside just beyond the borders of Trenton, in Jones County, I consider myself a resident of Trenton. And like other residents of Trenton, I'm proud of it.
6. It is my practice to patronize Trenton businesses for services and products. For instance, Trenton has a bank, a dry goods store, a hardware store, an auto repair shop, a hardware

store, a post office, and a library. I would not ordinarily travel outside of Trenton for any of these purposes. Trenton has the necessary commercial establishments for the citizens of Trenton.

7. Trenton also has the Trenton Medical Center, which is open daily and is served by five doctors.

8. I support the proposal for a radio station to be licensed to Trenton. At this time, when Trenton or Jones County residents want news and information about what is going on in Trenton, they do not get what they need from the out-of-town radio stations. Instead, people end up calling my office. A radio station would be an important outlet to immediately provide local information to the people of Trenton, including information about crimes and other police matters.

9. I also want to mention that when I ran for Sheriff, I wanted to use radio advertising for my campaign, but the rates at the out-of-town stations were too high. I ended up limiting my advertising purchases to newspapers. If there had been a radio station in Trenton, I would have used it to reach the voters.

10. Under penalty of perjury, the foregoing is true and correct to my personal knowledge.

DECLARATION

Glenn Spivey hereby declares as follows:

1. I am the Town Clerk of Trenton, North Carolina. This is a paid position. I am also the secretary-treasurer of the Trenton volunteer fire department and treasurer of the Trenton rescue department. I have lived in Trenton for 33 years.

2. As the Town Clerk, I am responsible for record keeping, paying the bills, providing reports, and, of course, listening to town citizens' complaints.

3. I remember speaking with Mr. Bruce Simel about Trenton, but my statements have been delivered to the FCC out-of-context. I am giving this statement to set the record straight.

4. I did not tell Mr. Simel that we perceive Trenton as being part of a Jacksonville-New Bern-Kinston-Havelock metropolitan area, rather than as being separate from it. Trenton is its own place.

5. I disagree that Trenton is a "rural hole" in the center of larger cities. Trenton is the hub of Jones County, North Carolina, and just happens to be surrounded by these larger cities.

6. Trenton has no reliance upon the police, fire departments or school systems of Jacksonville, New Bern, Kinston or Havelock.

7. The Jones County Sheriff's Department is located in Trenton, and takes care of Trenton's law enforcement needs.

8. The Trenton volunteer fire and rescue department is able to handle the city's fire and rescue needs, which are not of

the same level as a larger city that might need a full-time fire department. Although we do get rescue calls, we don't have many fire calls anymore due to the electric codes and better construction of homes. In addition to the volunteers, we have two county-paid, full-time EMT's -- Emergency Medical Technicians.

9. The City of Trenton administrates the central sewer system.

10. The City of Trenton recently signed a cable TV franchise.

11. We have all our basic needs in Trenton -- food stores, drug stores, restaurants, car repair. People like to trade locally. The merchants take pride in knowing their customers by name.

12. We have very little in common with Jacksonville, New Bern, Kinston or Havelock. Trenton has the same spirit as Mayberry. Trenton is a safe place and a great place to live and to raise a family.

13. Under penalty of perjury, the foregoing is true and correct to my personal knowledge.
